

HERITAGE PETROLEUM ANNOUNCES ACQUISITION OF PETROLEUM  
MARKETER/DISTRIBUTOR IN St. Louis, MO. July, 15<sup>th</sup> 2016

EVANSVILLE - Heritage Petroleum, LLC (HP) today announced it has acquired Wolco Oil Company. (Wolco) which is based in St. Louis, MO. The acquisition solidifies HP's presence in the Greater St. Louis Market and is a continuation of HP's strategy of establishing a network of operational hubs to allow HP to better service customers in a 300 mile radius of Evansville.

Dick Dona and his team will now be part of the Heritage team. They will be focused on a smooth transition for the existing customers and to continue to grow market share through their long-standing business relationships in the area. Additionally, current customers of (Wolco) will now have access to the buying power of HP, Pacific Pride Commercial Fueling, and the sophisticated fuel and price management services offered by HP. Phillips 66 Lubricants is supporting Heritage's efforts to grow and sustain the customer base. Details of the transaction were not disclosed.

Heritage Petroleum, LLC HP is a privately-held wholesale petroleum marketer/distributor that provides fuel transport services, commercial fueling, Enterprise and Colonial pipeline services, emergency management, lubricants services and sophisticated fuel and price management services for companies in the U.S.

Headquartered in Evansville, Indiana. HP offers a complete line of fuel products including petroleum fuels, alternative fuels, additives, oils and Shell, Pennzoil, Quaker State, P66 lubricants, and Heritage House Lubricants.
